

# Instructions for Use of Proposal Budget Summary Form <sup>2019</sup>

## GENERAL

- A. Each grant proposal, including requests for supplemental or incremental funding, must contain a Proposal Budget Summary in this format; use photocopies of this form as necessary.
- B. Completion of this summary does not eliminate the need to fully document and justify the amounts requested in each category. Such documentation should be provided on additional page(s) immediately following the budget in the proposal and should be identified by line item. The documentation page(s) should be titled "Budget Explanation Page," and should be numbered.
- C. Final budgets for funded proposals must be attached to the Grant Agreement.

## BUDGET LINE ITEMS
