

Following Your Stormwater

A Lower Raritan Watershed Partnership Workshop

THURSDAY, OCTOBER 7TH 3 – 4:30PM

All are welcome to join this FREE VIRTUAL workshop to learn and engage in the flow of your water from your streets into the Atlantic Ocean; the water quality of the lower Raritan River; and building watershed-friendly communities that minimize the impacts of stormwater runoff. We will also be introducing Highland Park's new stormwater website! This workshop is open to anyone, including community members, educators, local officials, employees, and anyone interested in the quality of their local water.

Keynote Speaker: Rosana DaSilva, Water Quality Manager, New York - New Jersey Harbor & Estuary Program
